|---|---|---|---|
| SEM VII | | | |
| CSDL7013 | NLP LAB EXPERIMENTS | COs | POs |
| LAB NO | TITLE OF EXPERIMENT | | |
| L1 | **Study of a recent NLP applications _____ . Formulate the problem statement and description for the same.** | CSDL 7013.4 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| L2 | **Implementing Sentence detection , Tokenization , Statistical analysis over token , Lemmatization and Stop word removal using NLTK ,spaCy and Stanford in Python for English language . Also implement the same with INLTK , Stanford for any one Regional language (HINDI) and for one more regional language (mother tongue).** | CSDL 7013.1 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| L3 | **Implementing FSA as word recognizer .** | CSDL 7013.3 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| L4 | **Implementing FST as morphological (word) parser for noun inflection.** | CSDL 7013.3 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| L5 | **Implementing Stemming Algorithm using NLTK , spaCy , Stanford (English) / iNLTK & Stanford (Regional language(Hindi & mother tongue)) in Python.** | CSDL 7013.2 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| L6 | **Implementing N gram model using NLTK , spaCy , Stanford (English)** | CSDL 7013. 2 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| L7 | **Implementing POS Tagging using NLTK (English) / iNLTK & Stanford (Regional language(Hindi & Mother tongue) in Python** | CSDL 7013.2 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| L8 | **Implementing Chunking in Python** | CSDL 7013.4 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| L9 | **Implementing Named Entity Recognition in Python for English and Regional Language (Hindi & mother tongue)** | CSDL 7013.4 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| L10 | **Exploring and Implementing Large Language Model** | CSDL 7013.4 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| L11 | **Miniproject : Implementing an NLP Application _____. Project Report and Project Presentation of the same.** | CSDL 7013.5 & CSDL 7013.6 | PO1, PO2, PO3, PO4, PO5, PO12, PSO1, PSO2 |
| | | | |
| | **Subject & Practical Incharge : Prof Deepti Vijay Chandran** | | |
